

The International Board for Regression Therapy

Application for Certification – Supplement for _____
(Please print your name)

Note: This supplement will provide IBRT with some insight into your understanding of past life therapy, and an overview of the approaches and methodologies employed by you.

Section I – Please describe your basic approach to conducting a past life session. (Provide a description of the techniques/methodology you normally use). Print or type your response.

Section II – Please use this space to describe what books/persons/courses/etc. have had the most impact upon how you conduct past life sessions – and why. (Please print or type).
